

1/310 Tinakori Road THORNDON

Thorndon Health or Beauty Premises

This prime Thorndon retail space is right in the heart of Tinakori Village.

Its floor area of approximately 50m² provides a generous reception and waiting area, along with three treatment rooms and a kitchen and storage area.

Water is provided to 2 of the 3 rooms, with heating/cooling throughout via heatpumps.

The property offers a pretty much "turn key" opportunity, with the existing fitout likely to cost many thousands if done today.

With this being available for the first time in circa 20 years, take advantage of this opportunity and contact Carl Hastings for full detail.
