

11 Victoria Street WELLINGTON CENTRAL

Wellington City Carparks - 12 to Occupy or Invest

12 carparks in the HEART of Wellington City, within the Victoria Street Parking Centre.

Easy access and egress off Jervois Quay via the Willeston Street entrance.

Well maintained and well lit, these carparks are currently leased with the opportunity for possible rental growth or utilise this prime parking location for your own requirements. Options abound.

Wellington City Council has reduced the number of available carparks in the Central City, also increasing the charging hours for on-street parking - and introduced weekend charges.

Take advantage of the diminishing supply and secure this well sized investment package.

Private Treaty

Type : Industrial
Building Size : 100 m2
